Breakthrough personalized therapy through pioneering research

JOIN THE PATIENT AND FAMILY ADVISORY COUNCIL (PFAC)

PFAC is a committee that partners family members with Division staff to make compassionate patient care a priority by determining methods that can enhance the patient experience and promote family-centered care.

We invite current or former patients and family members to join PFAC!

- Are you 18 years of age or older?
- Do you wish to collaborate with the Children & Adolescent Cancer & Blood Diseases Center?
- Do you have suggestions to improve families' experiences throughout treatment?
- Are you insightful, optimistic, a great communicator and listener?
- Can you commit an hour of your time every 2-3 months?

If YES – We want to hear from you!
